

WISCONSIN WIC ASSOCIATION

BUILDING BRIDGES TO STRENGTHEN FAMILIES AND COMMUNITIES

November 1st, 2016

It has been an exciting and busy year for the Wisconsin WIC Association (WWA)!

2016 WWA activities included:

- Six WWA members represented WI at the 2016 National WIC Association Leadership Conference.
- Shared quarterly newsletters.
- Connected with local Wisconsin WIC projects via the [WWA Facebook page](#) and [website](#).
- Created an advocacy toolkit for WI WIC projects to use in 2017.
- Scholarships were offered to attend the 2017 National WIC Association Leadership Conference.
- Conducted our annual business meeting at the state WIC conference in June 2016.
- Began planning for a professional development day for WI WIC staff to take place on Friday, September 29th, 2017.

It is time to renew your WWA membership! A project membership includes all WIC employees in your agency. WWA was built and is led by local WIC projects. The overall goal is to support local projects and the participants we serve! Additional WWA member benefits are listed on the 2017 Membership Form (Invoice).

Payment can be mailed or submitted online.

To pay online: access the WWA website (<http://wiwica.org/>)

- Go into Membership tab.
- Locate your project caseload which will determine the amount of your project's dues.
- Choose "Buy Now" and it you will be linked to PayPal for payment.

Checks can be made payable to the "Wisconsin WIC Association" and can be submitted along with the Membership Form to the address listed below.

In addition to your payment, **please email, fax, or mail the completed 2017 Membership Form (Invoice) to Barb Sheldon** (WWA Treasurer):

Email: bsheldon@co.winnebago.wi.us

Fax: (920) 232-3370

Mail to: Winnebago County Health Department-WIC

112 Otter Ave.

Oshkosh, WI 54901

Lastly, I am happy to announce that WWA will again offer a \$100 incentive to the region with the highest percentage of project membership in WWA by March 31, 2017.

Sincerely,

Abbie Loos, RD, IBCLC
WWA Chairperson 2016
